SINGHANIA GLOBAL ACADEMY

PALSANA, SIKAR (RAJASTHAN)

P|R|O|S|P|E|C|T|U|S

**Late Sawar Lall Singhanian &
Late Satyabhama Devi Singhanian**

OUR INSPIRER

Late Sawar Lall Singhanian and Late Satyabhama Devi Singhanian, a philanthropic couple from the soil of Churu had a dream to make an indelible mark in the field of education by creating a world class study centre of excellence to shape the girls and boys from the sand dunes of Rajasthan into consciousness and responsible citizens with high sense of honesty, integrity and patriotism. Their dream could not come true during their life time but their enlightened sons Late Pradeep Kumar Singhanian and Mr. Dilip Kumar Singhanian committed themselves to promote quality education to fulfill the long cherished desire of their parents. Mr. Vivek Singhanian, their grandson also pledged in his active support in realizing the dream of his grandparents. Singhanian Global Academy is a dream child dedicated by devoted sons to the memory of their parents.

Shri Dilip Kumar Singhania
Chairman
Singhania Global Academy

THE FORCE BEHIND

Shri Vivek Singhania
Vice Chairman
Singhania Global Academy

Need for good English medium residential schools are increasing with increased urbanization, increase in income levels and shrinking size of family and the parent seeking superior infrastructure with better quality of the curricular and co-curricular activities. Keeping this in view, we opened our doors to our student in July 2010 and over the last years, we have established a reputation as an institution of innovation and quality. We must remember that intelligence is not enough intelligence with character is the ultimate goal at Singhania Global Academy, which is true education. The emphasis must also remain on Indian values, time-tested character traits like honesty, sincerity, and compassion and on the sustain ability of the environment. Singhania Global Academy is affiliated to CBSE up to class XI and XII from the academic session 2014-15. All classrooms in our school are for digital learning with a Wi-Fi & Lush green campus equipped with space of the art Infrastructure. We instill the values of creative thinking, reading good books, confidence building and respecting others' values & beliefs. I also thank the Principal and his dedicated team who are helping the students to grow mentally alert and physically sound to lead their country.

Principal Message

We realize the idea of constructing a dynamic, caring, and supportive learning environment with model facilities that is conducive for developing the intellectual, social, physical, emotional, and potential of each child thereby imbibing academic excellence, exemplary character, and social consciousness.

At SGA, we value children for what they are and empower them to be confident, responsible, and multi-faceted individuals. School activities, apart from classroom teaching and games include encouraging students to take up hobbies, participate in school activities, and improve public speaking and social skills through participation in competitive co-curricular events.

All these encourage the child's ability to understand and behave responsibly, eventually helping them evolve as mature, generous, and holistic personalities.

DR. RAHUL DHAMA
Principal
Singhania Global Academy

- Knowledge that Changes Lives

Culture, Value & Modern Education

Singhania Global Academy School aims to provide a comprehensive skills and value based education to boys and girls from classes Primary, Secondary and Senior Secondary levels. The School is 11 years old premier co-educational, Day Cum Boarding School from classes Nursery to XII providing all round development to students in a boarding setup also (IV–XII) run by SGA Academy. The guiding light of SGA is it's Moto Shraddha, Gyan aur Karma. The students of SGA are encouraged to inculcate a belief in value of Shraddha Gyan and Karma which are the theme of value based education. The teacher at school are encouraged to motivate and guide the students with the aim to impart knowledge keeping the balance between the richness of Indian tradition and culture and challenges of modern technology driven world.

Vision

Passing from industrial age to the Green Revolution the knowledge Era requires a strong Foundation changing times coupled with exponential strides in information technology and global competitiveness which have open vast opportunity of careers in multidiscipline services industry and business technical and scientific research health and Human Development we aim significantly to transform our students for the challenges by imparting quality schooling with the best possible human resource and infrastructure and to be among the top five schools in the country.

Mission

- To build a strong foundation of schooling essentially required by a student handling the higher education of his/her choice.
- To provide balance physical moral ethical spiritual extracurricular and vocational instructions for complete development of students personality.
- To instill and develop self confidence in every student and a sense of responsibility and leadership in Every Walk of life to perform role of nation builder by sharpening the perception that contribute to national cohesion, scientific temperament and independence of mind and spirit.
- To impart and pass on cultural and heritage values to every student and paved the way for learning environment freeing problem produce and enlightened and sensitized citizen and the complete human

The school designs and implement its own skill and activities based curriculum in the primary, middle and senior section the school follows the syllabi as prescribed by Central Board of Secondary Education CBSE to which the school is affiliated and ideal teacher -student ratio of 1 :15 ensure that each student get personal attention students of class 11th and 12th have a choice of taking up Science, Commerce and Humanities stream.

ACADEMIC CURRICULUM

International School Collaboration

It is widely accepted that the traditional chalk and talk model of content oriented teaching cannot adequately prepare young people for the future we need to shift focus emphasize on value oriented experiential learning to counter the challenges that the school across the world are grappling with we have an collaboration with FH School CANADA.

In today's fast growing world it has become difficult for a child to groom himself for the career of his choice due to pressure from the peer group as well as parents individuals also develop lot of issues that concern them physically and psychologically. The School has a professionally trained Counselor who takes care for the child's requirement and provide solutions to career queries. The school also organizes various career planning and counseling sessions by Reno sound career counselors of India and abroad.

ALUMNI ASSOCIATION

The school has a very strong aluminized string of IITians, IAS, Software Engineers, Entrepreneur, MBBS Doctors, NDA officer and so on who are the brand ambassadors of the school culture in true sense as they are always connected as family members to the school.

E-NEWSLETTER AND MAGAZINES

The school brings out their monthly e-newsletter, e- images and quarterly magazine which provide ample opportunity to students to publish their vivid range of articles

Club Activities

The school's curriculum has been designed to develop communication Skills, Leadership Skills, Decision Making & Thinking Skills and other qualities such as character, discipline, spirit of adventure, inquisitiveness, self reliance and physical fitness. Students are encouraged to pursue their area of interest by joining various Societies, Clubs and Sporting of their choices. There is a wide of range to choose from:

- Numismatic and Philately Club
- Multimedia and Journalism Club
- Wall Magazine Club
- English Literacy Society
- Hindi and Sanskrit Literacy Society
- Photography Club
- Dramatics Club
- Music Club
- School Band
- Aero-Modeling Club
- Electronics Club
- Horticulture Club
- Equestrian Club
- Sculpture Pottery and Clay Modeling
- Arts and Crafts Club
- Wood and Metal Craft Club
- Robotic Club

Teachers Role, Council and Admission

The best quality faculties available in country are recruited at SGA for providing quality education to the students which is reflected in school result. Reflecting the true testimony of our academic distinction all the staff members stay on the campus and take care of the students like parents. This harmony of relationship takes students far ahead in getting groomed socially and ethically and makes them Excel academically. The school is committed to have high qualified and dedicated teachers with the ability to create motivating environment conducive for residential school.

The teachers at the school:

- ❖ Support students learning.
- ❖ Engages students in meaningful creative and stimulating activities.
- ❖ Provides personal and parental care to the students.
- ❖ Support special educational needs.
- ❖ Teach etiquette and manners to the students.
- ❖ Improve unacceptable behavior and mould them to fit into the society.
- ❖ Dedicates themselves in guiding the students in residential set up to become the caring citizen of tomorrow.

Parent Community

The parents play the most important role in bringing up the children. The school and parents are equal partner and always join hands together to create a purposeful atmosphere that promotes excellent learning to bring out the best in our children together we teach them to accept differences and help them to develop values that are respected and admired by all culture around the world we expect the parents to use the strong bridges for communication between home and school they must attend and visit school for regular Parent-Teacher / Parent- Principal/ Parent- House master meeting to discuss concern about their child progress and to be in touch with regular circulars notification newsletter results etc through emails, SMS and other communication media adopted by the school.

Investiture Ceremony

The Prefects of our school are selected by Faculty and the House staff. The student Council is selected in investiture ceremony the Prefect system is made up of Head Girl, Head Boy, House Captain, House Vice Captain House Sport Captains for boys and girls respectively. While serving as prefects they learn that with authority come responsibility and all its associated challenges in a hope of creating conscience and responsible citizen. The prefects are regularly advice and guided by School Advisors.

CO-EDUCATION

Co-Education provides excellent scope of growth into a congenial ambience and gives a sense of competition to the students so as to excel in all fields. Both genders under the same roof give them opportunities to remove the fences of shyness and help them to be bolder for their future ventures after their schooling. After a thorough research for the last 11 years of existence, the apex body managing the school decided to introduce co-education, separate, well furnished, secure, and cozy friendly hostel facility is provided for girls with a very experienced, cultured and friendly team under the supervision of female house master.

Scholarship

Students are regularly appear for the NTSE scholarship tests, special coaching is given to the students appearing for the same. Besides, the schools offers merit based scholarship to deserving students under scholarship scheme.

Special Coaching

The School has been providing all possible opportunities to the students to excel in curricular and co-curricular activities, training the students to develop communicative skills, IT based teaching to secure good marks in the examinations. Besides, it was felt that in the highly competitive world, it is necessary to prepare students on how to successfully and confidently approach professional entrance examinations with the support of experts. This was a continuous demand made by parents and students of senior classes. These coaching classes focus on improving CBSE results, preparing the students for AIEEE, IIT/JEE, CBSE-PMT, NDA and NTSE examination.

Student's Council

The student's council is composed of Head Boy and Head Girl, Captain and Vice Captain of each houses, sports Captain and the secretary of mess committee. The members are elected from each houses from the students of classes VIII to XII. The main aim of the Council is to address the needs and concerns of the entire student body in different areas.

Thus, they develop confidence and other leadership qualities like self discipline, self control Social awareness, and responsibility towards the environment and community and Nation. The Principal. Academic Coordinator, Chief Housemaster, Activity coordinator and Sports coordinator are Advisors to the student's Council.

ADMISSION PROCEDURE

The academic session of the school start from 1st April and ends at 31st March. The admission process is designed to improve students demonstrating promise. Academic Infrastructure and Facilities

The school has an excellent academic infrastructure for academic, sports and co-curricular activities such as well equipped digital library, English language lab, smart class room, 3D lab, Hobby hut, activity centre, etc

Smart Class Room

All the classroom and the school are equipped with the Smart boards which motivates the teachers as well as students in teaching and learning process with the contents as per the syllabus of CBSE.

Knowledge Resource Centre

A well furnished knowledge resource centre with over 50,000 books, periodicals and journals cater to all the reading requirements. Students are being encouraged to read books beyond prescribed curriculum to broaden their intellectual horizon.

Computer Lab

IT skills have now become a necessity owing to the increasing use of computers in our daily life. At SGA, computer education is

compulsory from class I onwards. Students have internet access through lease line.

Every building in the campus is connected with Wi-Fi and internet supports, live management and educational facilities for students and faculty.

Laboratories

To ensure an ambience for innovative, creative and contemporary pedagogy, the theory classes are being supplemented with practical knowledge. Regular lab sessions are held under the guidance of trained lab instructor. In addition to the mandatory Laboratories for Physics, Chemistry and Biology, the school also has separate well equipped labs for mathematics and Geography.

Audio-visual Room

Special seminars and lectures are conducted on a regular basis in the AV room which is well equipped with all requisite infrastructure such a LCD projector, video library, 3D equipments etc.

Extra Curricular and Development Activities

The Activity Centre houses separate Fitness Centre, Dance Room, Music room, Aerobic and Martial Art Room, NCC and Band, Boxing Training Hall, Sports Room, Pool Table etc. The Hobby Centre houses activities like ceramics and pottery, paper recycling, clay modeling, woodcraft, sculpture, metal craft etc.

School Band

The school band consisting of Pipe and percussions sections is a pride of the school. The band has represented the school at many platforms. Every year a new batch of students is trained by a professionally trained band masters.

NCC

To inculcate discipline and all round development of students the School has been enrolled with NCC army wing for many years. Every year the enrolled cadets get opportunity to attend annual camps organized by NCC at various locations. The training program which consists of drills and

multifarious activities help to develop soft skills and self reliance in the cadet.

Art and Craft

The Art and Craft Hall is a unique hub under the expert guidance of teachers from Shanti Niketan. The school provides ample opportunities to the students to hone their skills and polish their passion for Applied art in the field of fine art, sculpture, clay modeling, ceramics, paper and metal craft.

Tour and Track

Tour, Track and excursions play a key role in developing and broadening a child's Outlook. It helps a child to think beyond the narrow walls of caste, creed, state and community. The school regularly organizes exchange program with foreign School such as FH School CANADA. It is mandatory for every child to participate in the Annual tour organized by school for one week in October every year. NASA camp is a favorite destination of all students.

Community Service

Education according to Vedas is an all-round development of a person physical, vital, mental, emotional, psyche and spiritual. The cordial relationship that existed between the society and the students in vedic times helped in the full realization of the goals of education. Hence the Gurukul system of education which was borne during that time had been effectively emulated in SGA with utmost care. Students here live together with the spirit of fraternity and charity, which enable them to build up a value based personality and living style. Community service is an integral part in the life of every SGA student. The students along with staff members visit Orphanages in the neighborhood and do Charity activities for the inmates distribute clothes and fruits. Our students regularly help the Government Public Health Care Service Centre at Pulse Polio drive and Eye camp at Government Hospital thus it help the child to remain attached to its roots,

develop love and care for the people.

Yoga and Meditation

The students are encouraged to find their way, through example and inspiration, to lead a spiritual existence. At a 'Sandhya' session held every evening students meditate for 15 minutes. Students also practice yoga under the guidance of trained instructor. Students are also oriented to develop appreciation of the Indian Culture heritage and Diversity at the Divinity Centre setup especially for the purpose.

House System and Competitions

The house system ensures a healthy atmosphere of Inter House scholastic and non- scholastic competition at the junior and senior level. The intramural and extramural activities through upon new vistas of learning to all students. The school is a regular participant (and winner) in various Inter School competitions different schools.

SPORTS INFRASTRUCTURE AND FACILITIES

The School has all the major sports facilities including Horse Riding, Skating Rink, Table Tennis Hall, Cricket field and net practice area and facilities for other indoor and outdoor games and sports.

The School has also well equipped modern fitness gym student of SGA Academy enjoy the facilities at uncompromising quality on the schools sport field for:

- Football
- Horse Riding
- Cricket
- Athletic
- Badminton
- Archery
- Marshal Art
- Basketball
- Boxing
- Skating
- Table Tennis
- Aerobics
- Yoga

Students spend ample time everyday playing games. Inter House and Inter school tournaments provide students with the opportunity to meet competitive challenges and some of them participates at the state and national level every year.

Hostel Life and Student Amenities

The School has taken special care to provide an excellent living environment to the boarders there are separate hostels for juniors and seniors and separate hostel for girls, each hostel has the teaching staff member as the residential house master and tutors attached to the House provide the students with individual guidance. The House master not only attend to the material needs of the students but also lends an understanding and is a loving buddy to them. All hostels are equipped with common room and recreational facilities. Beside there are house parties, picnic and carnivals to break the monotony of the hostel life. It is indeed a home away from home to make life comfortable at the hostel various facilities are available within the campus.
